2000; NCERT had developed detailed subject-wise syllabi for all classes. NCERT also recommended the introduction of the new syllabus and textbooks, in schools in a phased manner, beginning with classes, I, III, VI, IX & XI, from the academic session 2002-2003. However, the new curriculum and textbooks relating to Hindi and Social Science including History have been stayed by the Supreme Court. For these courses existing Syllabus and textbooks will continue. For academic session 2002-2003, no change has been proposed in either the syllabus or NCERT textbooks in all subjects for II, IV, V, VII, VIII, X & XII classes. As informed by the NCERT, while the textbooks for class XI, are required only after the declaration of class X examination results in early June, all steps have been taken by them to ensure that the textbooks of all other classes are available in the market.
